President's Message

Top AOS Awards go to Orchid Alley

Awards List

**General Meeting: October 14, 2011.** We are meeting at 6:00 p.m. at the United Church of Christ. Bob Harris and Jennifer Snyder, the Orchidpeople, will be coming to Kauai from the Big Island to talk about Cymbidiums.

Bob started growing orchids when he was eight years old. For many years cattleya were the only orchids he grew. Years later he attended grad school in Botany at the University of Oregon where he was working in Mycology and also in Plant Morphology (working with plant hormones to tissue culture green plants). At some point he needed to use the university greenhouse and noticed the tubs of green plants with long green leaves but no flowers. The professor who was working with them was the late famous Don Wimber. The plants were of little interest to Bob until in the spring he saw the pretty blooms and he was hooked on Cymbidiums.

Bob later moved to Inverness in San Francisco Bay where the climate was perfect for growing Cymbidiums. However, in 2003 Bob and Jennifer moved to the Big Island which they found was too warm for most of the Cymbidiums they brought with them. Thus they became involved in testing and developing new varieties just for low elevations in Hawaii. They now have 15,000 plants and they sell them as potted plants or cut flowers. They plan to bring some for sale.

### Christmas Party - Saturday, December 3

### President's Message

Once again the Fall Orchid Show was a huge success. Kudos to the display chairs and the many volunteers who made this all possible.

A very important general meeting is coming up. It is for the election of officers for year 2012-2013. I urge all members to mark their calendars to attend this meeting and participate in this election process. Remember this is your orchid society.

Carol Kanna

# Top AOS Awards go to Orchid Alley

We wish to extend our many thanks to Pennie Duke for serving as Display Chair for the Orchids in Paradise Show this year and to Ryan Metzger, Nancy Nakama, Gwen Teragawa and Lorraine Kawane who helped her transport and set up the props and basic displays. We had a different configuration in the space allotted this year which gave us plenty of room to spread out so that our guests could have a good look at the wonderful flowers entered this year. A special thanks to No Ka Oi Landscape Services for generously loaning us the plants that we used for decoration and fill.

Congratulations to Neill and Fely Sams of Orchid Alley for being awarded a CCM/AOS certificate for their Mtssa. Dark Star "Darth Vader". This plant was selected as Best in Show, Best Flowering Species and Best Miltonia. The Sams family also received an HCC/AOS award for their Vanda Manuvadec x Cindy Banks. Congratulations also go to Keith Do who received several 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place awards, for this was the first time Keith submitted his plants to our show for judging.

Thanks to all of you who assisted in setting up and taking down the displays, the security and information volunteers and those who helped with the orchid sales. I also want to acknowledge my fellow photographer Ryan Metzger who worked with me on photographing the flowers and some of the guests who came to enjoy our show. You will see many of these photos on the following pages.

**Ada Koene**

**CCM/AOS, Best in Show, Best Flowering Specimen, Best Miltonia:** Mtssa Dark Star 'Darth Vader'; Owner Orchid Alley

**Left:**  
**HCC/AOS , Best Vanda - V.**  
Manuvadec x Cindy Banks;
