LDS357 Phal (Lyndon Reflex X gigantea) \$35

This should be an interesting cross. Lyndon Reflex is Princess Kaiulani X Phalaenopsis Chang Maw Jade. We have seen bluish flower from Phal Mituo Reflex Dragon (LD Double Dragon x Lyndon Reflex). Because of Phal micholitzii influence in Phal Chang Maw Jade, we could either see these flower have colored intensified or removed.

LDS456 Phal (Mituo King Bellina X Yaphon Luedde-Star) \$35

This is a very nice hybrid. Most of these will be reddish color. You can see concentric tessellation from having Phalaenopsis lueddemanniana in the background of Phal Yaphon Luedde-Star.

LDS514 Phal (LD Purple 3S X bellina (blue)) \$20 These are flowering on very compact plant. Phal LD Purple 3S is a Phal javanica hybrid. We expect these to stay compact.

\$25

LDS607 Phal (KS Sweet Martin X LD Purple 3S)

\$20

LDS622 Phal (Sogo Shito X Kingfisher's Kaiulani Passion)

\$25

Pod parent Phal Sogo Shito is an excellent yellow flower that does not fade. Paired with a fragrant Kingfisher's Kaiulani Passion, we should get some art-shade medium size 7 cm fragrant flowers.

LDS645 Phal (Mituo King Bellina X (LD Dougle Dragon-Brother Ambo Passion))

\$25

LDS651 Phal ((Sogo Shito-Zheng Min Muscadine) X Mituo King Bellina (Orange Color))
