<u>Paphiopedilum Species</u>			
PAS0690	Paph. bellatulum x sib ('Super Clone' x 'Large Red Spots')	BS	\$50.00
	Both parents have the best large red spots from our PAS0441! The latest direction in bellatulum breeding, the stepping stone to have near solid red bellatulum.		
PAS0661	Paph. concolor x sib ('Full Moon' x 'Wide Body')	BS	\$30.00
	Our 4th generation breeding of this species using very superior form and size. Both parents have very wide petals and almost 7cm natural span! First few bloomed are round with great concolor! Reserve of PAS0687.		
PAS0679	Paph. gigantifolium 'MH-3' SM/TOGA x self	32-36cm ls	\$120.00
	Selfing of one of the best SM in Taiwan. These are legally imported in flask and have been growing very vigorous. Expect to bloom in 2 years!		
PAS0495	Paph. glanduliferum var. gardineri x sib ('Black & Shine' x 'Dark Chocolate')	BS	\$35.00
	Our F3 breeding. Very compact growing with very dark color flowers. We expect fast growing with 3-4 may be 5 flowers per stem when fully mature. This can bloom in 15cm leaf span! These plants have one plus growths!		
PAS0691	Paph. haynaldianum fma. album 'Six Amigos' x self	NBS	\$40.00
	This is a selfing of one of our first bloom seedlings with six flowers. Very compact and fast growing plants. We just bloomed the first one with 5 flowers in 2" pot with 20cm ls!		
PAS0613	Paph. haynaldianum x sib ('Purple Wings' x 'Ron')	BS	\$30.00
	A dark coloration with almost vini colored dorsal crossed with one of the largest of this species.		
PAS0693	Paph. helenae fma. album x sib ('Yellow Bird' x 'Albino Beauty')	BS	\$75.00
	First offering of this albino form of this species. First few to bloom are in greenish yellow color. And one has bloomed with two spikes from a three growths plant in 2" pot! Keep in mind these are all small plants		
PAS0684	Paph. hennisianum var christiansenii 'Green Lantern' AM/AOS x self	NBS	\$35.00
	Selfing of this very rare albino form of this species.		
PAS0609	Paph. hirsutissimum x sib ('Atlas' AM/RHS x 'Jeanie' AM/AOS)	BS	\$50.00
	We strongly believe Atlas is the same clone that awarded GM at the 18th WOC in France. It is one of the largest with great color. Here we crossed with a nicely color Jeanie. We hope for the best.		
PAS0575	Paph. hookerae x sib ('Gigantic' x 'New dimension')	BS	\$40.00
	Sibling cross of our two largest clones of this species! One of the very low light Paph species with beautiful leaves! One first bloom seedling has awarded HCC/AOS.		
PAS0620	Paph. kolopakingii f. katheriae (album) x sib ('New Dimension' x 'Albino Beauty' AM/AOS)	30-34cm ls	\$95.00
	These can produce up to 12 beautiful green and white flowers on a strong stem. New Dimension is one of our best and even better than the Albino Beauty.		
PAS0643	Paph. lowii x sib (鮮ew Horizon x 賤rand Masterpiece GM/WOC)	24-28cm ls	\$35.00
	New Horizon was almost horizon petals and was one of the parents of our AQ award. Here we crossed with the best Grand Masterpiece. The first time we are able to breed with GM having some decent generation!		
PAS0624	Paph. mastersianum x sib ('Wesley' x 'Green Lovely')	BS	\$50.00
	Now becoming one of the very rare species of Paphiopedilum.		
PAS0615	Paph. parishii var. dianthum album x sib ('Green Delight' x 'Wide Green Wings')	BS	\$40.00
	These are the second generation of albino form of this species. Both parents are selected from some of the best we have bloomed so far!		
PAS0500	Paph. parishii x sib ('Red Long Twister' x 'Jeanie' AM/AOS)	BS	\$75.00
	A sibling cross of a very dark red and long petals with one of our best Jeanie with 12 flowers! We finally have some seedlings of the species available! These are fast growing siblings seedlings. BS has one plus growths!		
PAS0579	Paph. philippinense var. album 'Green Candy' AM/AOS x self	BS	\$45.00
	Green Candy is as good as our Albino Beauty AM/AOS. Green Apple has awarded with 84 pts a few years ago. It has bloomed with 7 flowers from a two growths plant! Great potential!		
PAS0574	Paph. philippinense x sib ('Alford' AM/AOS x 'Super Twister')	BS	\$40.00
	A long and twisted petal of a new generation of this species crossed with an awarded classic. First few to bloom have 4-5 flowers with twisted and very long petals. One just awarded FCC/AOS March, 2017!		
PAS0498	Paph. philippinense x sib ('Super Twister' x 'Wide Spread')	BS	\$50.00
	Both parents have petals over 25cm in length. We expect this will be better than our recently awarded FCC PAS0574.		
PAS0499	Paph. platyphyllum 'Super Clone' x self	BS	\$75.00

	A selfing of this still very rare and hard hard to find true species. Super Clone is one of our best from our first generation of the PAS0191.		
PAS0558	Paph. rothschildianum x sib ('Fine Five' x 'Atticus' AM/AOS, B/WOC)	NBS	\$100.00
	Fine Five is one of the best and the largest Mont Milais selfing I have seen. Two from this cross were awarded GM/DOG in Dresden Show March 2017! One with 32cm ns, 7cm dorsal and 2.5cm petals!		
PAS0692	Paph. rothschildianum x sib ('New Horizon' FCC/AOS x 'Raptor' GM/JOGA)	18-22cm ls	\$60.00
	New Horizon is one of the latest FCC/AOS. Raptor is also one of the latest GM/JOGA and with the highest score of all GM awarded so far in Japan! What else can possibly be better!		
PAS0639	Paph. sanderianum x sib ('Dr. John' AM/AQ/AOS x 'Sam Tsui' AM/AQ/AOS)	18-22cm ls	\$50.00
	Sibling cross of the two best from the AQ group. Both first bloomed with 4 flowers with over 80cm petals. Our latest breeding of sanderianum. This is probably the best of this species you can find!		
PAS0631	Paph. sanderianum x sib ('Fat Boy' x 'Sam Tsui' AM/AQ/AOS)	24-30cm ls	\$65.00
	Our first sanderianum sibling cross in the last 10 years! We have been patiently waiting for the best new generation to bloom. Fat Boy has very wide dorsal and natural span. Sam Tsui has almost 90 cm petals.		
<b>Brachypetalum Hybrids</b>			
PAB0091	Paph. Quantum Light var alba 'Tall Albino' x concolor var alba 'Albino Beauty'	BS	\$35.00
	Quantum Light is S. Gratrix x niveum. Both parents are alba. First few to bloom have very good substance creamy yellow round flowers on a strong stem.		
PAB0090	Paph. Quantum Light var. alba x sib ('Super Round Albino' x 'Gigantic Albino')	BS	\$35.00
	Quantum Light is S. Gratrix x niveum. Two of our best albino Quantum Light! We expect some of the best Quantum Light with large and round creamy white flowers on relatively tall stem.		
<b>Parvisepalum Hybrids</b>			
PAP0153	Paph. Gloria Naugle (rothschildianum 'Sam's Choice' AM/AOS x micranthum 'Black Widow')	BS	\$90.00
	Dark pink flowers with burgundy strips! First few to bloom have exceeded our expectation with very large, dark color flowers and a few have already awarded last year! In shreath!		
PAP0351	Paph. Harold Koopowitz (rothschildianum 'Gigantic Dorsal' x malipoense 'Sam's Choice' FCC/AOS)	20-24cm ls	\$35.00
	Gigantic Dorsal has first bloomed with four huge flowers with 7cm dorsal and 30cm ns. Sam's Choice is our latest FCC with over 15cm ns. We expect this will be the largest HK ever made with over 25cm ns!		
PAP0356	Paph. Liberty Taiwan (hangianum 'FV' x micranthum 'Rouget' FCC/AOS)	12-16cm ls	\$45.00
	Remade of one of the most highly demanded hangianum hybrids.		
<b>sanderianum Hybrids</b>			
PSH0148	Paph. Angel Hair (Saint Swithin 'Jumbo Jamboree' AM/AOS x sanderianum 'Sam Tsui' AM/AOS)	22-26cm ls	\$35.00
	Personally I think Jumbo Jamboree is still one of the best Saint Swithin. I hope for the best Angel Hair! Limited!		
PSH0127	Paph. Kolosand 'Kaila' AM/AOS x Johanna Burkhardt 'Undercover' AM/AOS	NBS	\$75.00
	Kolosand is kolopakingii x sanderianum. We expect over 6 large flowers on a strong stem.		
PSH0132	Paph. Michael Koopowitz (philippinense 'Red Spiral' x sanderianum 'Sam Tsui' AM/AOS)	NBS	\$40.00
	Red Spiral very long dark red petals. Sam Tsui is one of the best from AQ group. We hope for some very good color and long petal MK.		
PSH0154	Paph. Yang-Ji Hawk (sanderianum 'Lady in Red' x adductum var. anitum 'Ace' AM/AOS)	20-24cm ls	\$40.00
	Remade of this one of the best sanderianum hybrids. Here we used one of our best recently bloomed sanderianum crossed with one of the latest awarded AM adductum var. anitum 'Ace'.		
<b>Multifloral Hybrids</b>			
PAM0230	Paph. Johanna Burkhardt 'Black Hole' FCC/AOS x rothschildianum 'Handsome' HCC/AOS	32-36cm ls	\$95.00
	First release of plants made with 6 flowers JB 'Black Hole', very dark color flowers and one of the best FCC! Handsome has five flowers with very good color and form.		
PAM0231	Paph. Johanna Burkhardt 'Golden Dragon' AM/AOS x rothschildianum 'New Horizon' FCC/AOS	32-36cm ls	\$95.00
	First release of plants made with 6 flowers JB 'Golden Dragon', very dark color flowers and should have been an FCC! New Horizon is one the best FCC in recent year.		
PAM0211	Paph. Wossner Black Wings (rothschildianum 'Red Sea' x adductum var. anitum 'Ace' AM/AOS)	30-34cm ls	\$50.00
	Red Sea is one of the best we have bloomed from PAS0260 'Jamboree Zebra' x 'Perfection' FCC/AOS, GM/JOGA with dark red strips and pouch. We expect some of the darkest JB we have made.		
<b>Phragmipedium Species</b>			
PHS0060	Phrag. longifolium v album x sib ('FV' x 'Green Delight')	22-26cm ls	\$100.00
	A very fast growing Green Delight crossed back to it's parent of the only one albino form ever discovered.
