[www.toowoombaorchidsociety.org.au](http://www.toowoombaorchidsociety.org.au)

Welcome to another year of Tanbark we hope this year will prove to be even more enjoyable than the last 12 months.

**TOOWOOMBA ORCHID SOCIETY Inc. General Meeting Minutes, 22<sup>nd</sup> November 2013, at St Paul's Church Hall, Phillip St, Toowoomba.**

The meeting was opened and the president welcomed everyone present at 6.30pm.

**HOUSEKEEPING;** - Toilets, Evacuation Procedure – familiarise yourself with it etc.

The President explained that tonight will be a very brief meeting as required by our constitution. We'll get on with it and then break for our Christmas Party. Don't forget to buy plenty of raffle tickets in the rolling raffle and I'd like to take this opportunity to thank all those members who have donated generously to make this raffle a beauty.

On the 2015 subject – the AOC Darwin conference of that year has been abandoned and has been taken on by the Qld. Tropical orchid group and will be in Mackay from 19<sup>th</sup> to 24<sup>th</sup> September. Unfortunately this will be the exact same dates as our spring show that year but doesn't clash with our conference.

**VISITORS:** A. Breuel, M & T Lostroh & D Polzin were welcomed.

**APOLOGIES:** - Recorded in the attendance book as well as; Charlie and Erika Dedekind, Karen and Dennis Elick, Les and Margaret Loblely.

**SICK LIST:** Jean Cherry is still in hospital following an op. We wish her a speedy recovery.

**MINUTES:** Moved by I Anderson. and seconded by B. Polzin that the minutes of the October meeting as printed in Tanbark are correct. – Carried

**CORRESPONDENCE:** Correspondence consisted of various letters and emails needed in running the club and newsletters from other clubs in the area. All correspondence was available at the front desk – there are also the minutes of the management committee meeting and the show committee available for anyone interested.

Moved by C Woolf and seconded by D Woolf that the Inward Correspondence be accepted and outward endorsed, Carried.

**TREASURERS REPORT:** Credit balance in working account of \$17993.80  
Accounts to be paid \$3926.65

Sonia moved that the financial report be accepted and all accounts tabled be passed for payment.

Seconded by...M Ferguson - Carried

**Next Meeting**

**24<sup>th</sup> January 2014**

Being no pressing business from the floor a motion was moved by D Woolf and seconded by B Polzin that the meeting be closed and any further business be dealt with by committee. Carried.

The President asked the Committee to meet in the kitchen area in 5 minutes.

Meeting Closed at 6.45pm.

### **Christmas Party 2013.**

56 members and guests enjoyed a wonderful meal provided by the caterers interspersed by a great raffle with excellent prizes kindly donated by members. As the Patron wasn't able to attend the evening, a message to members was read by the president. The president then thanked members who have contributed to the smooth running of the club this year and reminded patrons that the AGM is fast approaching.

This was followed by an entertaining slide show and talk by Janice Miller on a recent trip to China and Vietnam. Thanks Janice.

A special plant auction concluded the evening with some very special plants being sourced for this activity by David Woolf. Special thanks to those who donated.

The proceeds of this activity (over \$400) will go to the 2015 Diamond Jubilee celebrations.

#### **Certificate of Appreciation**

Presented to Bernie Polzin for his tireless work for the club.

Although Burnie is moving away from the area he will remain a member and be back for meetings and shows.

### **Date Claimers & Information for Members**

**New Growers Group** The next New Growers Group will be held at David & Carolyn's at 607 Greenwattle St. Toowoomba at 2pm on the 8<sup>th</sup> of March. Chairs and a plate please.

#### **Brom Group**

The next meeting of the Brom Growers group will be at the home of Robert and Sue Janetzki on Sunday 19th January at 4 Port Street, Toowoomba at 2.00 pm. Please bring a chair and a plate to share for afternoon tea.

#### **Happy Diners**

Date	Venue	Time
6 <sup>th</sup> February	Federal Hotel. 111 James St. Toowoomba	11.30am
2 <sup>nd</sup> March	Sth. Toowoomba Bowls Club. 331 Hume St. Toowoomba (Breakfast)	8.00am
3 <sup>rd</sup> April	Blue Mountain Hotel. 204 New England H'way Toowoomba	11.30am

**Guest Speaker** Guest speaker at the next meeting will be Kev Baker with some words of advice on how to coax our plants through this hot weather we're having.

**Show Dates for 2014** Gardenfest – 2<sup>nd</sup> – 4<sup>th</sup> May, Winter Show – 19<sup>th</sup> July, Spring Show 19<sup>th</sup> – 23<sup>rd</sup> September, Summer Show – 18<sup>th</sup> October.

## **Coming Events** Qld. International Orchid Fair – 7<sup>th</sup> – 9<sup>th</sup> March at the Beenleigh Showgrounds.

### **2015 Diamond Jubilee Celebrations.**

The Feasibility Working Group has fulfilled its commitment and at a meeting on 8<sup>th</sup> of December 2013 was disbanded. The date, venue and feasibility that our club can achieve a conference in 2015 has been established.

**Date;**- Setup Thursday 22<sup>nd</sup> July 2015, 2 day conference/show – 23<sup>rd</sup> & 24<sup>th</sup> of July 2015. The reasoning behind these dates is to give societies and vendors a clear 2 weeks before and after to attend other shows already planned.

**Venue;**- USQ Berghofer Recreation Centre. Two venues being considered were Berghofer Pavilion at the show grounds and the USQ venue. While being somewhat more expensive the USQ venue was chosen as it is better situated, fit for purpose in catering, heating and with suitable lecture rooms.

At this stage an official icon has not been formalised – suggestions accepted.

**The next stage will require Planning/Working groups to achieve a successful outcome in July 2015. Please consider where you may be able to help.**

The breakdown of these working groups required is as follows;-

#### **Vendor/Display/Judging Coordination group.**

- Organise vendors – suggest approximately 10 orchid vendors and 6 alternative vendors.
- Prize monies and trophies.
- Other club participation
- Speakers
- Display Classifications
  1. Club displays
  2. Table Top displays
  3. Cut flower displays
  4. Floral art
  5. Photographic and Art

#### **Social Activity group.**

- Meet and Greet at venue on set up night
- Formal Dinner

#### **Fund Raising group**

- Government grants etc. – Paid Position perhaps?
- Sponsorship/Donations – Corporate or business sponsorship. Perhaps 3 levels.
- Day to day fundraising
  1. Membership donations – ie; members to donate a plant for sale at shows
  2. Sausage sizzles
  3. Cent auctions
  4. Raffles

Other revenue to be derived from Vendor Fees & Registrants

#### **Administration group.**

- Secretarial duties
- Official Letter writing
- Organise Registrants pack
- Complimentary passes
- Source accommodation details

#### **Treasurer.**

Club treasurer will handle business in the interim. Conference treasurer required January 2015.

### **Tours and Activities group.**

- Liaise with Tourism Groups and Coach Companies to organise suitable non-orchid tours/activities.

### **Advertising group.**

- Creating, printing and distribution of advertising material.
- Organising signage.
- Newspaper/magazine advertising
- Radio and Television advertising.
- Web site.
- Liaise with Tourism groups

### **Hall Coordinator.**

- Liaise with venue officials
- Organise any necessary extra requirements – tables etc.
- Oversee all activities within the venue during the event.

### **Conference Coordinator.**

- Liaise with all groups and oversee all activities

**The above positions/working groups need to be established as soon as possible. Do as little or as much as you possibly can but do something. Your help will be treasured.**

**SO COME FORWARD AND DO YOUR BIT** as the more participation we can gain, the easier on the group and the whole club. This is our chance to establish Toowoomba Orchid Society in the modern era of clubs so get behind the project and enjoy the fellowship and rewards.

### **Buy, Swap or Sell**

1. Robert Janetzki has been nominated by B Polzin to serve as a member of the show committee. Seconded by Russell Anderson. Robert accepted the nomination and was given a round of applause by the meeting.
2. The president showed the meeting the write-up in the Orchids Australia magazine which featured our spring show and mentioned the 2015 Conference. The material was supplied by the secretary.
3. A discussion and call for nominations for positions to help organise the 2015 conference followed. Any members willing to either take on a coordinators position or assist in some small way please contact either the secretary or the coordinator of the group which interests you. A list of the groups and positions filled will be published in February Tanbark.
4. Our friends and visitors from New Zealand, Leigh and Mike have donated two lovely items of jewellery (with an orchid theme), to be used as fund raising material for our conference. A lovely gesture and much appreciated by the club. Thanks Leigh and Mike.

Kev Baker then gave a very informative talk on how best to look after our plants in this hot spell we're having. He also gave an insight into tropical and temperate plants he grows and the effects of the heat on some plants. Thanks very much Kev.

The president mentioned an interesting article published in the AOS newsletter in March 2013 written by Rick Lockwood entitled "What do orchids Eat" which warns against the use of higher doses of potassium in our fertilisers. A very interesting article and worth a Google.

The fruit tray raffle went to C. O'Leary, plants tabled to M Zink and M Ferguson.

The meeting closed at 9.15pm.

Tim & Margaret Lostroh (St Paul's)

Presidents of NOSTI, LVOS, QOS.

Mayor of Toowoomba (P. Antonio)

President J Terry, Vice President David Woolf, Secretary Margaret de Nooyer and Treasurer Sonia Pope are to be signatories to the Heritage cheque account.

The president thanked all members who gave of their time to enable the Society to have another successful year, particularly those who served on the committee. The meeting closed at 7.50pm.

**Time to bring back your Autumn trophies please. See Elmo**

### **Presidents Report 2014**

What a wonderful year 2013 has been in the orchid house. Our shows have been absolutely first rate with not only quantity but quality plants in abundance.

Four Orchid shows and one Brom show can be considered a real challenge to any club but we carried them all off splendidly. The wonderful comments from members and public alike made me proud to be a part of this group. While most of us were “showed” out by October the fellowship and camaraderie in the club was great.

From the group that enjoys the social aspect of Happy Diners each month to the well attended New Growers groups and TOSKAs alternate months and not forgetting the Brom group get-togethers we certainly had a busy calendar.

To all the people who cause these events not only to happen but run smoothly and enjoyably, thank you and well done.

It's been encouraging so see a steady stream of graduates from novice to open class. It certainly says something about the New and Novice Growers Group.

Thanks to the management committee for their solid assistance, to the show committee who worked tirelessly and were initially a bit short on experience but a sharp learning curve soon took care of that.

While the club's executive officers and management committee are quite obvious to all, I can assure you that as far as Toowoomba Orchid Society is concerned, I have received considerable support from many members for all sorts of jobs, who just front up both at meetings and shows. Thank you all for this assistance and support.

The society's 60<sup>th</sup> anniversary will occur in 2015 and the decision has been made to celebrate it in style with a conference and show. I urge all members to embrace this event and lend a hand, no matter how small, and be a part of history in the making.

The society lost a couple of our senior members during the year. They will be sadly missed.

Great to see that several members of our society have received quality awards at AOC level. We do grow orchids well in Toowoomba.

To all members and friends and those no longer with us, I thank you for a wonderful year.

*John Terry*

## *Toowoomba Orchid Society Spring Show 2013.*

Despite unseasonably warm weather leading up to the show, the fears of the show committee were allayed at benching time as almost 400 plants were set up to greet the judges.

Cymbidium numbers were down somewhat but Softcane Dendrobium and Phalaenopsis numbers were up sharply.

A well grown plant of Phalaenopsis *lobbii* won for its owner Reg Dix the Grand Champion as well as Champion Species and Champion Phalaenopsis. The plant was later awarded an HCC by the judges in attendance.

*Phal. lobbii*

**David Woolf – Onc. TigerBrew 'Tassie'**

Reserve Champion went to a plant of Onc. Tiger Brew 'Tassie' owned by David and Carolyn Woolf and was a well grown and flowered example of this hybrid.

*Den. Ella Victoria Leaney*

Champion Specimen went to a very large and well flowered plant of Den. Ella Victoria Leaney grown by Graham and Val Little.

**Inge Anderson with Den. Hagaromo 'Spring Fuji'**

Last but definitely not least was Champion Novice plant which was proudly shown by Inge and Russell Anderson. The plant of Den. Hagaromo 'Spring Fuji' was a credit to the Andersons.

The show which ran for 6 days to coincide with the Toowoomba Carnival of Flowers was judged a wonderful success by members, patrons and financially so we'll be lining up again next year for our 59<sup>th</sup> Spring Show. The Diamond Jubilee will be celebrated in fine style in 2015 with the club looking to host a conference and show on 23<sup>rd</sup> to 25<sup>th</sup> July 2015. See you here.

### **DONATED PLANTS**

Recently David Woolf donated a plant of Paph. Saint Swithin 'Murray' HCC/AOC to be sold and the proceeds going to the Conference fund. The plant was taken to the February TAPS (The Australian Paphiopedilum Society) meeting where it was sold for \$325. Thanks very much David, a great boost to the coffers. So if you have a spare piece of a good plant in the orchid house why not donate it to the club with the proceeds going to a worthy cause.

Renowned Cattleya breeder and grower Dr. Desmond Neuendorff has donated a lovely plant of Gct. Rest in Peace 'Anzac' HCC/AOC (pictured below) that will be the star of a silent auction culminating next meeting.

If you wish to place a bid on this lovely plant please arrange it with the president prior to commencement of next meeting.

**Don't let it get away – bid now.**

**Gct. Rest in Peace 'Anzac' HCC/AOC**

At the recent International Orchid Fair held at Beenleigh, John Woolf approached vendors and asked them to donate a plant or plants to be part of the fund raising effort to assist the club in staging the 2015 conference and show. The result was amazing with 11 orchid vendors donating 37 plants. That's wonderful generosity. Thanks to the vendors and thanks to John for making the effort to persuade these people to donate. A list of the vendors will be published next month.

**Remember; for show cards and sales tags – see Robert and Sue Janetzki at 6 Port St. Wilsonton Heights or phone 46347438**

**Autumn Show Schedule will be available at the next meeting and possibly in next month's Tanbark. If you won't be at the next meeting and require a copy please let me know.**

David Woolf has had a successful year in 2013 having received 2 awards by NSWOS which were then ratified by AOC for Gom. *echinata* 'Swarming Bees' – He received an AM and an ACC. He is shown here being presented with an AM for another plant Gom. *echinata* 'Carolyn' and an HCC for Onc. Tigersetta 'Wyld Court'. Area representative Athol Rosenberg is the presenter. Well done David.

Each year this trophy is presented to the member who has won the highest number of "Judges Choice Hybrid" awards at general meetings. This year the trophy was won by Brian Klemm with 3 wins for the year. He seems pretty happy – and why not – receiving it from President John. Well done Brian.

Management Committee has decided to award life membership to Athol and Nancy Rosenberg for the years of tireless service freely given to the club. Shown here is Athol receiving his certificate. Congratulations Athol and Nancy.

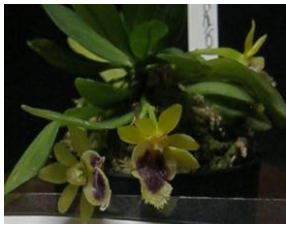

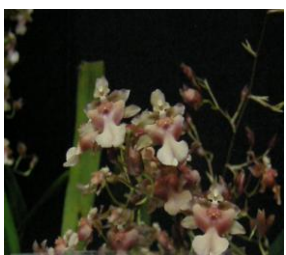

I've been told that long time member of Toowoomba Orchid Society, John Middleton is quite ill and in a nursing home at Oakey. We wish John all the best.

**Subscriptions are now overdue – see the Treasurer if you haven't already paid.**

**New Growers Group;** The new growers group met at David and Carolyn's on the 8<sup>th</sup> of March. Thirteen members enjoyed a really social and informative afternoon. I'm always impressed by the enthusiasm with which these meetings proceed and that one was no exception. I just wish the same energy could be injected into meetings and TOSKA's but I guess that something we can all work on.

David led the group through the seedling process and with practical demonstrations illustrated how to select seedlings when confronted with trays full of look alikes. The group were each encouraged to choose a seedling and take it to flowering and then compare the result. The next New Growers Group meeting is scheduled for the 11<sup>th</sup> of May. But the format may change "slightly" which brings me to my next subject.

**Proposed Bus Trip;** A bus trip is proposed for the 10<sup>th</sup> of May which would visit three shows (Redcliffe, Pumicestone and Aspley) in the one day and should be a great day out for all members. This trip is once again dependant on numbers so if you're looking for an enjoyable way to spend a Saturday, pencil this date in your diary. A show of interest will be called for at the next meeting so even if you can't make it along next meeting and you are interested, please let someone know.

## **TOOWOOMBA ORCHID SOCIETY Inc. General Meeting Minutes, 28<sup>th</sup> March 2014, at St Paul's Church Hall, Phillip St, Toowoomba.**

The meeting was declared open at 7-30pm by President John Terry who thanked all for coming

General housekeeping including Toilet location and Evacuation procedures was mentioned.

**Apologies.** As per the attendance book plus; - W Williams, B & K Williams, J Sheath, G Little, V Jellyman, A Rosenberg, B Polzin, A Richards, G & J Bloodworth, W Naumann, Elmo & Judy and the Crees family.

**Judges for Tonight:** Kev Baker, Sue Janetzki, Roy Anderson.

**Minutes:** The minutes of the February 2014 meeting, as printed in Tan Bark, are true and correct. Moved by B Klemm and seconded by C Woolf. Carried.

**Correspondence;** All correspondence was available at the front desk for members' perusal. Moved by R Anderson, seconded by C. Bracken that the inwards correspondence be accepted and the outwards be endorsed. Carried.

### **Treasurer's Report.**

Treasurer Sonia Pope presented the financial report showing a credit balance in the working account of \$11772.90 and many accounts for payment. S Pope moved that the financial report be accepted and accounts be passed for payment. Seconded by F Reed, Carried.

The president thanked Robert Janetzki for stepping in as secretary in the absence of Val Jellyman.

### **General Business.**

1. The president thanked Dr. Des Neuendorff for the generous donation of a plant of Gct. Rest in Peace 'Anzac'. The plant was won in a silent auction by Val Jellyman with a bid of \$100. Thanks Val.
2. Paph. Saint Swithin 'Murray' was donated by D and C Woolf and was sold at a recent TAPS meeting for \$325. Thanks David and Carolyn.
3. While on the subject of donations to our conference fund raising, John Woolf approached vendors at the recent International Orchid Fair at Beenleigh and received support from 11 vendors who donated 37 plants.
4. The club is proposing to hold a bus trip to 3 shows on Saturday 10<sup>th</sup> of May. The cost will be less than \$20 and will be dependent on numbers. A show of hands was called with quite a disappointing result. The president urged members to consider making the trip as a show of interest by TOS members.

#### **VALE Jean Slattery**

Jean Slattery 1918 - 2014

Jean Wren Slattery died Monday 31<sup>st</sup> March 2014 aged 95.

Jean Slattery was married to Frank Slattery after they met in Toowoomba where Jean (nee Flynn) was the Secretary of the Toowoomba Orchid Society. Frank Slattery was one of the elder statesmen of the Orchid Society of NSW who passed away in 2000. Jean and Frank ran an Orchid Nursery at Bexley. The Slattery's quarantine house, housed many of the orchids imported up to the late 1980's.

Frank and Jean were the mainstays of the St George Orchid Society until 1993; Jean was the secretary keeping the Society together for over 30 years.

Jean ran the floral art section of the Orchid Society of NSW. Jean was an excellent floral art teacher and organised floral art classes for orchids and set the floral art judging schedules for the major NSW shows and many of the affiliated society shows. The floral art under Jean's guidance became a feature of the meetings of OSNSW Ladies Auxiliary Meetings.

Jean was patron of Bankstown Orchid Society for many years and the Secretary of the NSW Royal Horticultural Society.

Jean was also an RHS floral art judge, judging at orchid shows and garden club shows in NSW. In 1993 Jean Received the Order of Australia Medal for Services to the Royal Horticultural Society of NSW, recognising 30 years of work for the society in floral art.

Jean became ill in the 1980s and withdrew from Judging. Unfortunately the floral art sections of the shows withered without Jean's Leadership.

Jean will be remembered by all those who knew her.

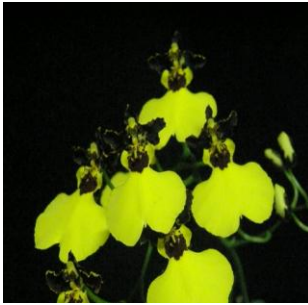

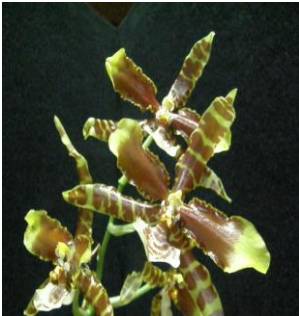

Management Committee has decided to award life membership to Eunice and Kevin Mahony for the years of tireless service freely given to the club. Shown here is Eunice receiving her certificate. Congratulations Eunice and Kevin.

Russell and Inge Anderson are regulars in Tanbark and for all the right reasons. Here they receive their Certificate of Achievement for graduation from Novice to open class. Congratulations Inge and Russell

**Bus Trip;** The club is sponsoring a bus trip on the 10<sup>th</sup> of May which would visit three shows (Redcliffe, Pumicestone and Aspley) in the one day and should be a great day out for all members. If you're looking for an enjoyable way to spend a Saturday at a cost of \$20 and perhaps buy Mum that orchid for Mothers day then this is for you. Seats are filling fast. We plan on leaving Stonestreets Coach Depot at 6.30am (parking at rear) and returning by 6.00pm. Firm bookings are required as soon as possible so if you're interested let Secretary Val or Murray know straight away please. Hopefully we'll have some club Polo Shirts and Shirts for purchase at the next meeting. If you need one you could let Colleen know your size etc on 4697 8119.

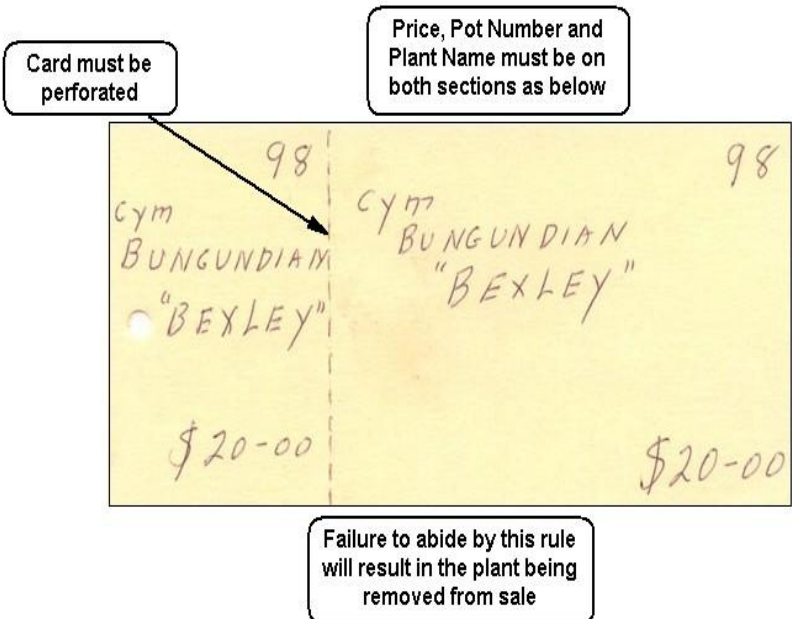

**Silent auction** - Dr Des Neuendorff generously donation of a plant of Gct. Rest in Peace 'Anzac'. The plant was won in the silent auction by Val Jellyman with a bid of \$100. Thanks Val. ....Still on auctions, Paph. Saint Swithin 'Murray' was donated by D and C Woolf and was sold at a recent TAPS (The Paphiopedilum Society) meeting for \$325. Thanks David and Carolyn. All proceeds from auctions are going to the Conference Fund Raising account.

At the end of last meeting we had an impromptu auction of several donated plants on the night. The auction proved popular with our very own auctioneer Paul Noone keeping us entertained. If members desire, we could have similar auctions at meetings to help with finances for the 2015 conference. So if you'd like to pick up that special piece of something, don't forget your money on meeting night.

**Volunteers needed to man the display and sales area at Gardenfest - 2<sup>nd</sup> – 4<sup>th</sup> May please. A roster will be circulated at the next meeting or phone Elmo or Judy on 46155148**

**Have you paid your annual subscription? Slipped your mind?

**General Business.**

1. Bus trip on 10<sup>th</sup> May to 3 shows. Pumicestone, Redcliffe and Aspley. The president urged members to participate and assured a great day. Cost \$20. Leaving from Stonestreets depot at 6.30am on Saturday 10<sup>th</sup> May.
2. Kev Baker was presented with a certificate of achievement for graduating from open to master grower classification. Congratulations Kev.
3. The meeting was reminded of the upcoming Autumn show at Gardenfest. Setup on Thursday 1<sup>st</sup> with the show running from Friday to Sunday 4<sup>th</sup>. A list for volunteers was circulated.
4. Autumn show trophies are still all not with Elmo. Please rectify.
5. The club is putting on a small display at Bunnings on 17<sup>th</sup> of May. The display and information session will last approximately 4 hours and helpers are needed to help out with plants and manning.
6. Happy Diners clashes with Gardenfest so has been postponed to 8<sup>th</sup> May at Rudd's Pub, 10 Tooth St. Nobby.
7. Brom group meets at the home of Robert and Sue Janetzki on 25<sup>th</sup> May at 2.00pm
8. New Growers group will form part of the bus trip on 10<sup>th</sup> May. The president reminded members that this is a very interesting and rewarding afternoon for anyone wishing to learn more about the finer points of orchid growing.
9. Bob and Betty Lander have sadly departed so we are desperately looking for someone to take on the roll of meeting steward and Happy Diners Coordinator. Could anyone able to help out with these roles please see the president.
10. Part of the May meeting will comprise a cent sale. Members are urged to bring along orchid or foliage plants or associated products. Let's have a fun night.
11. Sam Tsui, International speaker and orchid grower from the USA will be visiting our society at the August meeting as a guest speaker. A list of flasks available at that time will be published shortly.
12. The president then read an information release from the Conference planning group which will be a regular information bulletin to keep members informed of progress and seek input. The document was prepared by Con Harriman, the Conference Coordinator who was unable to attend the meeting. Thanks Con.
13. The meeting was again reminded that some members haven't paid their dues and with an upcoming show, non financial members are ineligible to exhibit.

Murray Ferguson then gave a very interesting talk on his history in the orchid arena. On insistence from the floor he then gave a very interesting demonstration on potting a couple of Paphiopedilum plants. I'm sure we all learnt something from the enjoyable discussion that ensued. Thanks Murray.

The fruit tray raffle went to Nina Baker.

The meeting then became an orchid auction with Auctioneer Paul entertaining members and selling 9 plants donated by members. The auction raised \$225 for the conference account. Thanks to the plant donors and also to members for participating.

The president reminded committee members of the of the Management committee meeting at David and Carolyn's on Monday night at 7pm.

And all members of the coming Autumn Show commencing on Friday. The meeting closed at 9.20pm.

## Gardenfest Show *-a word from the President*

Miserable weather, rain on Friday and very vigorous westerly winds on the other two days may have kept patrons at home; however it was felt amongst the stallholders that I spoke to, that the weather was just one contributing

factor, with high admission price and lack of serious advertising being the others. Most unfortunate! Having said all that, the number of orchids on display was well up from last year with 160 plants exhibited. The novice section was disappointing with only a couple of exhibitors from a total of eight exhibitors but the quality was as good as ever.

Judging on Thursday night was carried out with a minimum of fuss. And a minimum number of judges as well with only three judges heeding the call. Enormous thanks to those judges.

The fine tuning of the new software by Steve also expedited the process immensely. With only one person typing, the prize cards were distributed within 20 minutes of judging being finalised. Thanks Steve and Sonia. Thanks also to Murray and his show committee for the well organised and executed plan for setup and running of the show with a minimum of fuss.

A big heartfelt thanks to all members who exhibited plants and those who gave their valuable time in the various areas during the show under adverse conditions. It was a great team effort of which I'm justifiably proud and one I'm certain we can emulate in the other 3 shows this year.

To you all - THANKS. *John*

**We have club Polo Shirts and Shirts for purchase at the next meeting, if you need one see Colleen.

## **TOOWOOMBA ORCHID SOCIETY Inc. General Meeting Minutes, 23<sup>rd</sup> May 2014, at St Paul's Church Hall, Phillip St, Toowoomba.**

The meeting was declared open at 7-30pm by President John Terry who thanked all members and visitors for coming.

General housekeeping including Toilet location and Evacuation procedures was mentioned.

**Apologies.** As per the attendance book plus; - C O'Leary, B & K Williams, W Williams, J Sheath, A Neylon, J & J Woolf, R Emmerson, M Zink, G Bapty, C Woolf, G Deacon & the Crees family.

**Sick List:** Wally Naumann

**Judges for Tonight:** Steve Pope, Karen Eslick & Elmo Koelmeyer.

**Visitors.** The members welcomed Joshua Matjus to the meeting.

**Minutes:** The minutes of the April 2014 meeting, as printed in Tan Bark, are true and correct. Moved by K Baker and seconded by B Klemm. Carried.

**Correspondence;** In the absence of our secretary, no correspondence was available and any pressing matters will be attended to by committee.

### **Treasurer's Report.**

Treasurer Sonia Pope presented the financial report showing a credit balance in the working account of \$10,383.64 and many accounts for payment. S Pope moved that the financial report be accepted and accounts be passed for payment. Seconded by C Harriman, Carried.

### **General Business.**

1. The president reported that the bus trip on 10<sup>th</sup> May was a great success and another trip is proposed for later in the year. Date to be determined by management committee.
2. The club will participate in a display at the RNA show in August and the meeting was informed as to the progress of planning for the event.
3. The president thanked members who participated in the recent Bunnings display.
4. With Bob and Betty Landers moving from the area, the club was in need of a member to organise Happy Diners. Kev Baker has taken on this role and the next Happy Diners will be held at the Farmers Arms Hotel, Cabarlah on the 5<sup>th</sup> of June at 11.30am. Thanks Kev.
5. New club shirts are now available in two styles. See Colleen if you need a shirt. Cost is still \$28.
6. Warren Williams and Jacqui have had another son, named Jacob. A little brother for Samuel and Jayden. Congratulation to all concerned.
7. The recent Gardenfest show was a great display but financially anything but great. The president urged the show committee to have a close look at the event for next year.

At the Management committee meeting of TOS on Monday 26th May, Robert Janetzki, Brom Coordinator, was directed to proceed with an investigation as to the viability of setting up a separate Bromeliad Growers Society outside of TOS. This may require the formation of a subcommittee and the process will take place over the next couple of months.

**Don't forget, bring in a healthy plant or two to be auctioned next meeting and help raise much needed funds for the conference.**

**New Member** Our latest new member is Joshua Matjus. Please make yourself know to Joshua and make him welcome.

**We have club Shirts and Polo Shirts for purchase at the next meeting, if you need one see Colleen. \$28.00 each**

### **Upcoming Show Dates**

North Moreton Orchid Council - Mt. Coot-tha Auditorium Brisbane – 29<sup>th</sup> June

Caboolture Orchid Society – Community Hall, Morayfield – 4<sup>th</sup> - 6<sup>th</sup> July

John Oxley Orchid Society - Mt. Coot-tha Auditorium Brisbane – 26<sup>th</sup> & 27<sup>th</sup> July

Maroochydore Orchid Society – Milwell Rd. Community Hall, Milwell Rd East, Maroochydore – 8<sup>th</sup> & 9<sup>th</sup> August.

ANOS Kabi Orchid Society – Bald Hills High School, 2156 Gympie Rd. Bald Hills – 23<sup>rd</sup> & 24<sup>th</sup> August

North Brisbane Orchid Society - Mt. Coot-tha Auditorium Brisbane – 23<sup>rd</sup> & 24<sup>th</sup> August.

**Remember** If members of TOS attend any of these shows please let them know where you're from and encourage a trip "up our way" to see our shows or conference.

**Proposed Bus Trip** After a most enjoyable day out just recently, it's been decided to have another bus trip later in the year. The proposed date is 27<sup>th</sup> September with a visit to the EDOS show (always worth seeing), then off to Beerwah show and lunch, then a private nursery and back home at a reasonable hour. More details as they come to hand but pencil the date in your diary.

**Sam Tsui Visit** Renowned grower and hybridist Sam Tsui of Orchid Inn USA from Bloomington Illinois is visiting us at our August meeting (22<sup>nd</sup> August). He will be talking to us on the culture and hybridisation of the Brachypetalum group of Paphiopedilums. Sam will also be publishing a flask list prior to his visit. Flasks are to be ordered prior and picked up on the night. The quality of hybridisation will be top rate so I urge members if you are interested in only half the plants in one flask, let us know as someone else may "need" the other half thus enabling a purchase and some more wonderful orchids for our meetings and shows at some time in the future.

## Some General notes on Brachypetalum and Parvisepalum Culture

I would say at the outset, these are my personal observations on the general culture of these two Paph. groups in the SEQld region. I won't discuss the detail of growing structures in this article, but suffice to say that solid roof cover is essential to grow these plants well over the long term.

As any grower will have observed, there can be wide variations in growth/vigour and ease of culture even within the one species, let alone once hybrids are made. Nevertheless, there are some general rules that seem to apply to most plants within the above two sections. I use the same potting medium for both groups, being 10mm treated bark, 10mm charcoal, Super coarse perlite and some shell grit. Fertilize weekly with a balanced liquid feed, perhaps with a higher nitrogen formula in the early Spring and Summer months, and a blossom booster formulation in the Autumn.

### PARVISEPALUM

For beginner growers, in my opinion, it is best to stick with the primary hybrids made with species from within the parvi group.

These tend to yield similar blooms to the species, but are quicker to mature, flower more reliably, and are more forgiving of less than ideal culture than are the species. As an

example, *P. Magic Lantern* is far easier to grow and flower than is *P. micranthum* (above), and *P. Norito Hasegawa* is similarly easier than *P. armeniacum*. Both of these primaries have the best features of both parents but tend to be far more prolific. In my view, depending on the other parent, *P. malipoense* hybrids can make some of the most robust and rewarding plants especially for newer growers, being relatively quick to mature, and reliable bloomers.

*P. Lynleigh Koopowitz* (left) is one obvious example, with the added bonus of fragrance. Those hybrids made with *P. hangianum/emersonii* can be outstanding, but be mindful that these can also be slow to mature. Intersectional hybrids (ie. with the *Coryopedalum* or *Cochlopetalum* group) can also be very good, but do tend to be more

variable than pure parvi primaries in terms of flower quality, floriferousness and vigour. Once the culture of the primaries has been mastered, by all means have a go at some of the species. Personally, in our growing environment, *P. malipoense* and *P. delenatii* have been the easiest to grow and flower regularly, with the other parvi species less so. Like any Paph, regular repotting is not

only essential, but beneficial, and where plants have lost their roots for whatever reason, very frequent repotting (ie. 6 monthly) into the smallest pot that will accommodate the healthy roots that

are left, can be very effective in promoting new root growth. This group tends to be fairly tolerant of both heat and cold, and seems to handle the many climatic variations that we experience in this region without too many adverse effects. This might include temperature extremes of near 0°C in Winter up to say 35°C in Summer along with large variations in humidity levels.

### BRACHYPETALUM

Arguably one of the more difficult groups to grow well over the long term. We are fortunate to normally experience a hot, wet summer and cool dry winters in our region which does however tend to assist with the culture of this group.

I have found that growing all pure Brachypetalums in a separate section to other Paphs is very beneficial,

particularly in the winter months when this group really does prefer reduced watering and fertilizing frequency. This can be difficult to manage when different groups are grown randomly mixed in together. Ideally, the growing environment should also warm up sufficiently during the day in the winter months so that once plants have been watered, they are able to dry off sufficiently before nightfall. Overwatering and a stale potting medium through the winter months can be fatal for most pure Brachypetalums. Therefore, fresh potting medium, not over potting along with adequate air movement are essential factors in growing this group well.

In my opinion, *P. concolor* is the more robust of the species, followed by *P. niveum* (at left). My view is that, depending on the combination, primaries are generally more tolerant of less than ideal conditions than are the species, and some commonly seen examples are *P. Greyii* (*niveum* x *godefroyae*),

*P. Wellesleyanum* (*godefroyae* x *concolor*) and *P. S. Gratrix* (*bellatulum* x *godefroyae*). Some of the brachy- parvi intersectional hybrids (particularly those involving *P. delenatii*) can be significantly easier to grow than pure Brachypetalums, whilst still producing flowers that are similar in form, and this style is best suited to new growers who are keen to try this group.

**Multifloral Alliance:** Paph. *haynaldianum*, Paph. *lowii* & Paph. *philippinense*.

**Parvisepalum Alliance:** Paph. *delenatii* & Paph. *malipoense*.

As you see in the article by John Robertson, hybrids can be easier to grow than most species having what is called "hybrid vigour". This does not apply to some hybrids made outside their alliance as they can be difficult and painfully slow to grow. If in doubt ask an experienced grower.

## **TOOWOOMBA ORCHID SOCIETY Inc. General Meeting Minutes, 27<sup>th</sup> June 2014, at St Paul's Church Hall, Phillip St, Toowoomba.**

The meeting was declared open at 7-30pm by President John Terry who thanked all for coming.

General housekeeping including Toilet location and Evacuation procedures was mentioned.

**Apologies.** As per the attendance book plus; - W Williams, C & E Dedekind, D Woolf, B Polzin & the Crees family.

**Sick List:** Nil

**Judges for Tonight:** Rick Emmerson, Colin Bracken & Russell Anderson.

**Visitors.** The members welcomed Lynn Hill, Andrea Gyemore and Murray French to the meeting.

**New Members:** The president welcomed Joshua Matjus and Alysse Pope as new members and asked members to make them most welcome.

**Minutes:** The minutes of the May 2014 meeting, as printed in Tan Bark, are true and correct. Moved by C Harriman and seconded by B Klemm. Carried.

**Correspondence;** Secretary Val informed the meeting of all correspondence and moved that the correspondence be received. Seconded by B Klemm. Carried.

### **Treasurer's Report.**

Treasurer Sonia Pope presented the financial report showing a credit balance in the working account of \$9,357.08 and accounts for payment. S Pope moved that the financial report be accepted and accounts be passed for payment. Seconded by C Woolf. Carried.

### **General Business.**

1. The president has had enquiries as to why the popular vote was at the beginning of the meeting. He explained that this allows both the judges more time to judge and the plants to be photographed on display without biasing the popular vote result. He also mentioned that every effort was being made to streamline the business part of the meeting to allow more time for "Orchid" matters.
2. The club will participate in a display at the RNA show in August and the meeting was informed as to the progress of planning for the event. The club has been asked to supply Cymbidiums, Lycastes, Masdavallias and Sophronitis. Plants that don't grow well in the warmer climate.
3. The president presented certificates of achievement to Elmo Koelmeyer & Judy Curran for graduation from novice to open class and also to Rick Emmerson for moving from open class to master grower. Congratulations.

4. The members were told of the generous donation of replica trophies to the club by Graham Little. The trophies will be “reskinned” and used in future. Thanks Graham.
5. New club shirts are now available in two styles. See Colleen if you need a shirt. Cost is still \$28.
6. The 2015 Conference coordinator Con Harriman then provided members with a report on the progress of planning thus far. She urged all members to participate where possible and assured that the rewards will be great.
7. Brom group meet at the home of Robert and Sue Janetzki on 6<sup>th</sup> July at 2.00pm
8. New Growers Group will meet at the home of Mark Bradshaw and Nina Baker at 11 Jacquelyn Ct. Oakey on Saturday 12<sup>th</sup> July at 2.00pm.
9. Happy Diners to assemble at Mill St Tavern, Cnr Mill and Campbell St. at 11.30am on 3<sup>rd</sup> July.
10. The new meeting vouchers will commence tonight. Conference vendors have been added to the “redeemable” list.
11. Winter show schedules are available at the meeting as well as on the web site.
12. Winter show – Val informed the meeting of a trial of new, printed cards. Cardboard and template for the printing are available from Val or if you don’t have access to electronic means, forward the names of your plants to either Val or Carolyn and they’ll print them for you. Murray informed the meeting that setup will commence at the hall at 3.00pm on the 18<sup>th</sup> July, plants in between 4.00pm and 6.00pm and judging to commence at 7.30pm.
13. The president told members of the reinstatement of the suggestion box and asked that any ideas be placed therein.

Kev baker then hosted a discussion on wintering our orchids and none too soon judging by the temperatures recorded around the area this morning. He also gave us his Ten Commandments on orchid growing.

Another interesting and informative segment. Thanks Kev.

The plant auction that followed was fun thanks to our comical auctioneer. It was also financially successful with the club making \$236. Members agreed to hold another next month. Thanks members.

**Raffle results:** Fruit Tray – G Little, Small Fruit Tray – M Bond, Plants – P Noone, C Harriman and lucky exhibitor – J Terry.

The president reminded committee members of the Management committee meeting at David and Carolyn’s on Monday night at 7pm.

Meeting closed at 9.40pm

The president presented certificates of achievement to Elmo Koelmeyer & Judy Curran for graduation from novice to open class and also to Rick Emmerson for moving from open class to master grower.

**Suggestions** The President and Committee would like to ask members for suggestions on the direction they would like to see the society take in the future, and any ideas they may have that will benefit members and the Society as a whole. TOSKAs haven't been well patronised. Do you want a change in format of these events? Do you want more bus trips, outings, change of meeting format, what do you want from the Society. Think about what you would like and make suggestions either directly or anonymously via the suggestion box.

**Did You Know;**- As of 31<sup>st</sup> March 2014 – the Royal Horticultural Society recognises 30,174 separate orchid species and has registered 154,658 orchid hybrids.

And you worry that you can't remember them all?

**New Members** Our latest new members are Alysse Pope, Lynn Hill and Andrea Gyemore. Please make yourself know to them and make them welcome.

## **WINTER SHOW**

Set up at hall on Friday 18<sup>th</sup> July 3.00pm (need workers to assist setting up).

Plants in from 4pm till 6pm. Judging commences at 7.30pm (need at least 9 runners) to assist judges; please contact Murray as soon as possible regarding these jobs.

Good exhibiting.

Murray.

## OUR ORCHID BUS TRIP by Val Jellyman

At 6.30 am (yeah I know, early for some) on Saturday the 10th May we boarded the bus bound for the Coast and the prospect of seeing some exciting and different orchids.

It was great to see so many of our members out and about but equally good to meet our fellow orchid groupies from the Native orchid club. It was good to spend the day together and share ideas.

After Bus driver David gave us a run down on the bus and the company, we began our adventure, after stopping along the way to pick up members from Withcott and Gatton. David headed overland through veggie growing country of Locker Valley bound for the Brisbane Valley highway.

First stop was supposed to be the Ningi Pumicestone Orchid show. However just after Toogoolawah a couple of people who will remain nameless turned the conversation to Pies and Pies shops needless to say we had to stop in Kilcoy to refuel, not the bus mind you. The bus pulled up just outside the markets at Kilcoy so there was entertainment for everyone. I have to say that some of the first of many purchase where made at those markets.

Once back on the bus, next stop Ningi and morning tea. The show was a small one but there were some beautiful plants on display and a wonderful array of sales plants from the orchid members. Alongside that there were 4 other stalls selling plants and plant related products.

After a lovely morning tea we were bound for Redcliffe show, sadly it was their last day and it was past it best, nonetheless we enjoyed meeting up with other orchid enthusiasts.

Lunch was held at the Dolphins Leagues Club and from here we headed to Aspley orchid show and our afternoon tea. This one was the largest of the 3 shows. There was a sea of purple shirts invading them. Oh what a display of flowers, they were spectacular. A huge specimen Cattleya (of which I took a photo and have just deleted it) the foliage section was brilliant, and was made up of other types of foliage from the normal Broms that we have.

Around 4pm we were herded back on to the bus to head home a little lighter in the hip pocket, tired from our big day out. On the way home instead of playing games we had a multi draw raffle which was lovely, a perfect end to a great day.

For those who were unable to join us you missed a great day - maybe next time you will be able to come along. Thanks Val.

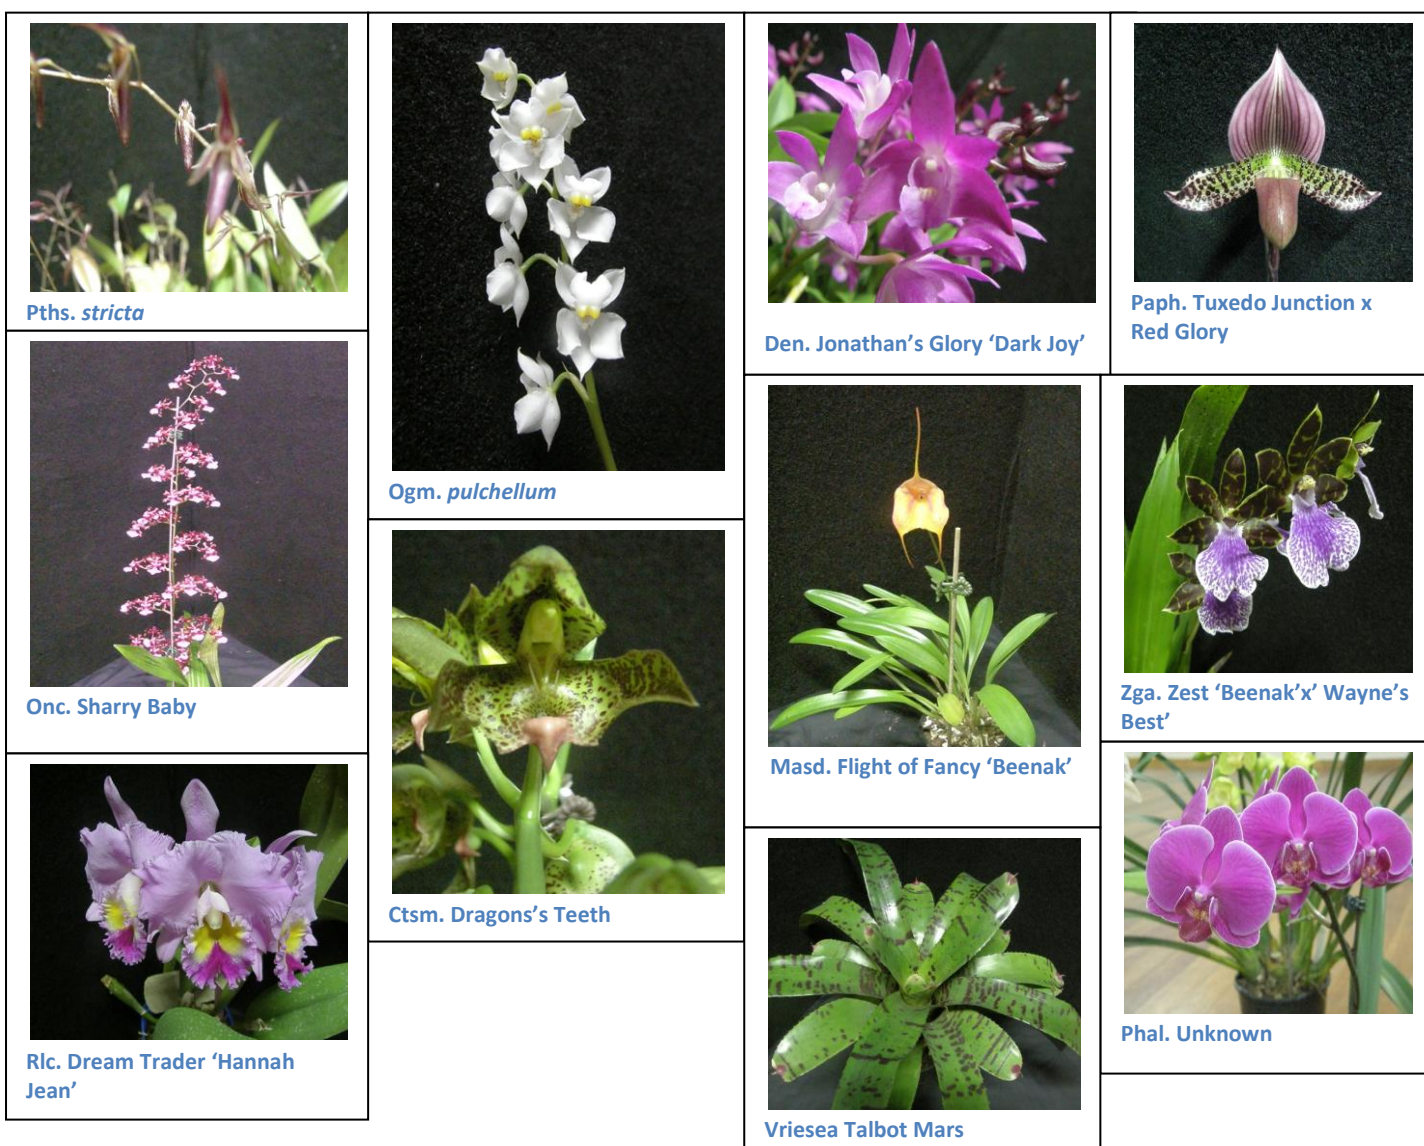

Member contribution is readily accepted and greatly appreciated by all editors. Yours truly is no exception. *John.*

**We have club Shirts and Polo Shirts for purchase at the next meeting, if you need one see Colleen.  
\$28.00 each**

**Remember** If members of TOS attend any of these shows please let them know where you're from and encourage a trip "up our way" to see our shows or conference.

## **Proposed Bus Trip** - 27<sup>th</sup> September 2014

Departs Stonestreeets at 6.30am. Travelling to EDOS show at Wynnum Manly. We will have morning tea there then depart for Glasshouse Mountains to view I & N Frizzo's collection then to Glasshouse Mountains OS show at Beerwah for a late lunch. Home by 6pm.

Cost will be \$20 for members & this will include morning tea & entry to the EDOS show. We will require firm numbers by 22<sup>nd</sup> August & payment preferably then or certainly during our Spring Show. Please contact Murray if you require further information. Once again this will be **Purple Shirt** day to promote our club & Conference 2015. Murray.

## **Alternative Bus Trip**

Jane Corbold, ex ABC art critic, is taking a Bus to an orchid show at Tweed Heads and an Art Exhibition in the same area on the 2<sup>nd</sup> November. The price of \$80 includes lunch at the Murwillumbah RSL. To book contact Peters Bus Co.

**Sam Tsui Visit** Renowned grower and hybridist Sam Tsui of Orchid Inn USA from Bloomington Illinois is visiting us at our August meeting (22<sup>nd</sup> August). He will be talking to us on the culture and hybridisation of the Brachypetalum group of Paphiopedilums. Sam will also be publishing a flask list prior to his visit. Flasks are to be ordered prior and picked up on the night. The quality of hybridisation will be top rate so I urge members if you are interested in only half the plants in one flask, let us know as someone else may "need" the other half thus enabling a purchase and some more wonderful orchids for our meetings and shows at some time in the future.

## **The TEN COMMANDMENTS of Orchid Growing by *Kev Baker***

1. Join an Orchid Club to learn about culture
2. Provide the right growing facility (Shadehouse etc.)
3. Build up a good library (Club, Internet, Books etc.) Keep learning.
4. Learn about names and labelling. Good to know what you have and what you want.
5. Be wary of gift plants. Trust the grower?
6. Try to learn about pests and diseases. It saves plants.
7. Take time to select the right genera for your conditions. It makes growing easier.
8. Buy good quality plants. They take up the same space as bad ones and are much more rewarding.
9. Try to attend other shows, get new ideas, and see other plants. Learn more.
10. Do the basics. Light, temperature, water, humidity, fertilizer, repotting.

**TOOWOOMBA ORCHID SOCIETY Inc. General Meeting Minutes, 25<sup>th</sup> July 2014, at St Paul's Church Hall, Phillip St, Toowoomba.**

The meeting was declared open at 7-35pm by President John Terry who thanked all present for coming.

General housekeeping including Toilet location and Evacuation procedures was mentioned.

**Apologies.** As per the attendance book plus; - W Williams, C & E Dedekind, R & I Anderson, A & N Rosenberg, C Harriman, A Richards & V Jellyman.

**Judges for Tonight:** C Crees, E Koelmeyer & J Woolf.

**New Members:** The president told the meeting of 2 new members in Lynn Hill and Andrea Gyemore and asked members to make them most welcome.

**Minutes:** The minutes of the June 2014 meeting, as printed in Tan Bark, are true and correct. Moved by M Ferguson and seconded by R Anderson. Carried.

**Correspondence;** In the absence the Secretary, the president informed the meeting of all correspondence and asked that the correspondence be received. Moved by C Woolf, seconded by C Terry. Carried.

**Treasurer's Report.**

Treasurer Sonia Pope presented the financial report showing a credit balance in the working account of \$9,849.06 and many accounts for payment. S Pope moved that the financial report be accepted and accounts be passed for payment. Seconded by M Ferguson. Carried.

**General Business.**

1. The winter show – President John informed the meeting of the financial details of the show and commended everyone who took part. Murray Ferguson then spoke in greater detail in regards to the fine display of orchids, the new card format and the much easier card printing procedure.
2. The club will participate in a display at the RNA show in August and the meeting was informed as to the progress of planning for the event. The club has been asked to supply Cymbidiums, Lycastes, Masdavallias and Sophronitis. Plants to be available by 6<sup>th</sup> August.
3. In the absence of Con Harriman, the president read an update report from Con regarding the 2015 conference. Mention was also made of two raffles being launched to help finance the event. Members were urged to take a book or two to assist in the sales. See Sonia please. Also mentioned on this subject was approval by Bunnings to allow the club to stage a small display and sell raffle tickets on three occasions. The dates are 6<sup>th</sup> Sept. 4<sup>th</sup> Oct. And 1<sup>st</sup> November. Anyone who can assist with plants or manning the display contact the president or secretary.
4. New club shirts are now available in two styles. See Colleen if you need a shirt. Cost is still \$28.
5. Brom group meet at the home of Robert and Sue Janetzki on 17<sup>th</sup> August at 2.00pm
6. New Growers Group met at the home of Mark Bradshaw and Nina Baker at Oakey a few weeks ago and saw some serious frost damage. Commiserations to Mark and Nina and also thanks for your hospitality. A good day was had by all.
7. Happy Diners to assemble at Meringandan Hotel Meringandan at 11.30am on 7<sup>th</sup> August.
8. The president told members of the reinstatement of the suggestion box and asked that any ideas be placed therein.

David Woolf then hosted a discussion on growing specimen orchids following his success in gaining a recent ACE. For those who don't know and ACE is an "Award of Cultural Excellence" and is the highest cultural award given by the AOC.

Another very interesting and informative segment. Thanks again David.

The plant auction that followed was fun thanks to our comical auctioneer. It was also financially successful with the club making \$236. Thanks to members who both donated and purchased plants.

**Raffle results:** Fruit Tray – L Cherry, Plants – C Woolf and M Bishop. Lucky exhibitor – J Terry.

The president reminded committee members of the Management committee meeting at David and Carolyn's on Monday night at 7pm.

Meeting closed at 9.35pm

## Just a Thought

- If you think of a club as being a building on stumps, (the stumps representing one for each member), some stumps are more crucial for holding up the building than others, but everyone is important and all are dependent on each other to keep the building stable.
- If for any reason a stump does not do its part, the rest have to take up the slack, making it harder for the ones that are left.
- When there are not enough working stumps the whole building will collapse.

## Date Claimers & Information for Members

**A word of explanation:** - Members at the last meeting saw me present Rick Emmerson with a certificate of his graduation to master grower status. I've been asked just what that means.

When a new member joins the club they start out in the novice grower section of competition. For each plant they bring to a meeting (up to 10) they receive one point for each. Should they win a class at a meeting or show they receive 5 points. A champion of section gets 10 points, reserve champion of show is rewarded with 25 points and grand champion of show earns 50 points. An AOC quality award gained by a member also earns points: 100 for a HCC or equivalent, 200 for an AM or equivalent and 500 points for an FCC. When the novice grower attains 150 points they graduate to open class and can no longer exhibit in the novice section. When this same grower reaches 1000 points they are then elevated to master growers status which is quite a feather in their cap.

**Sam Tsui Visit** Renowned grower and hybridist Sam Tsui of

Orchid Inn USA from Bloomington Illinois is visiting us at our next meeting (22<sup>nd</sup> August). He will be talking to us on the culture and hybridisation of the Brachypetalum group of Paphiopedilums. Don't miss this chance to share in the experiences of this top international. Come along, it'll be a great night.

Please bring along something for supper to share as we may have extra visitors.

**Plant Auction.** Last meeting we held another successful plant auction to help raise some much needed funds for our Diamond Jubilee Conference next year. The event raised another \$236. Not to mention the laughter provided by our resident comic auctioneer Paul Noone. So thanks to Paul, to everyone who donated the plants to be auctioned and the willing members who bought them. Some bargains were realised at the hands of the auctioneer. Thanks All. John.

## **TOOWOOMBA ORCHID SOCIETY Inc. General Meeting Minutes, 22<sup>nd</sup> August 2014, at St Paul's Church Hall, Phillip St, Toowoomba.**

The meeting was declared open at 7-30pm by President John Terry who thanked all for coming on such a cold, rainy night.

General housekeeping including Toilet location and Evacuation procedures was mentioned.

**Apologies.** As per the attendance book plus; - W Williams, V Jellyman, B Polzin, M Zink,

**Judges for Tonight:** Barry Kable, Darryl Banks & Peter Neylon

**Visitors:** Barry & Ann Kable, Darryl Banks, Allan Stuckey, Sam and Gini Tsui.

**Minutes:** The minutes of the July 2014 meeting, as printed in Tan Bark, are true and correct. Moved by R Anderson and seconded by M Ferguson. Carried.

**Correspondence;** In the absence the Secretary, the president informed the meeting of all correspondence and asked that the correspondence be received. Moved by R Janetzki, seconded by C Harriman. Carried.

### **Treasurer's Report.**

Treasurer Sonia Pope presented the financial report showing a credit balance in the working account of \$6522.14 and many accounts for payment. S Pope moved that the financial report be accepted and accounts be passed for payment. Seconded by K Baker. Carried.

### **General Business.**

1. The Spring Show. Murray gave the meeting a rundown on times etc for setting up the show. Meeting time at Melco storage to be 2.00pm with entry to the hall no earlier than 3.15 pm. Plants can be delivered from 4.30 to 6.00pm. Helpers will be needed from 3.15 to set up the hall. Judging will start at 7.30pm where runners and stewards will be required. The photo competition will be judged on Thursday night. Volunteers are always needed throughout the show.
2. The recent display at the RNA show was a great success in putting orchid growing before the public. The president thanked all who had contributed both plants and effort.
3. Conference raffles. David Woolf spoke of the need for all members to participate in the sales of raffle tickets and urged all members to take a book and sell them.
4. Future displays at Bunnings. Displays are scheduled for 6<sup>th</sup> September, 4<sup>th</sup> October and 1<sup>st</sup> November. Anyone who can assist with plants or manning the display from 10am to 2.00pm on these days please contact the president or secretary.

**24<sup>th</sup> October 2014**

5. Murray spoke of a group visit to 3 shows next Saturday (30<sup>th</sup> August) – meeting at the Range shopping centre at 7.00am. Please get your names in early.
6. New Growers Group to meet at the Spring Show on Sunday 21<sup>st</sup> at 2.00pm. The president urged members to attend as it's always a good chance to learn about plants grown in the area.
7. Happy Diners to assemble at the Stock Exchange Hotel, 162 Anzac Ave, Toowoomba at 11.30am on 4<sup>th</sup> September.
8. Bus trip on the 27<sup>th</sup> of September. Firm commitments needed tonight or at the spring show at the very latest.
9. A "table cloth" working bee is needed. If you can help with sewing etc. see Carolyn or Elmo.

The president then asked the members to warmly welcome Sam Tsui of Orchid Inn USA, Bloomington, Illinois, USA who then gave a wonderful presentation on the history, geographical distribution and cultural requirements of the group "Brachypetalum" of the Paphiopedilum genus. The talk was most informative and Sam faced many questions from members. The climate in Toowoomba is much milder than Illinois where Sam mentioned that the outside temperature this last winter went as low as minus 35 degrees Celsius.

The members thanked Sam for the great presentation.

Members were then treated to a lovely supper put on by the ladies.

**Raffle results:** Fruit Tray – Peter Neylon, Plants – S Pope and K Baker. Lucky exhibitors – J Terry & M Ferguson.

The president urged members to fill out the volunteer sheets and reminded committee members of the Management committee meeting at David and Carolyn's on Monday night at 7pm.

Meeting closed at 9.40pm

## Date Claimers & Information for Members

**Orchid Show Outing:** - Saturday 30<sup>th</sup> August

A car convoy of 9 members travelled to Gold Coast, Logan and Mt Coot-tha last weekend to see some beautiful orchids and spread the word regarding upcoming events at TOS. A good day was had by all and a few more plants made it back up the mountain. Can't wait for the bust trip on the 27<sup>th</sup>.

**Sam Tsui presentation** - over 40 members and guests were entertained by Sam Tsui (Orchid Inn USA, Bloomington, Illinois, USA) who gave a wonderful presentation on the history, geographical distribution and cultural requirements of the group "Brachypetalum" of the Paphiopedilum genus. Some members even took away some very nice flasks supplied by Sam.

**Conference** - Could members save me centre cylinders from Baking paper, Alfoil or Cling wrap please, as I want to turn them into serviette holders for the conference dinner. Thanks, Colleen

**Conference Raffle tickets** – We are relying on members to take and sell these tickets **ASAP**. The proceeds of these raffles are ear marked for prize money, so please do your little bit to help....everyone can sell a few raffle tickets!!!!

## Spring Show Details

**Set up;** - 18<sup>th</sup> September – 3.30pm at Centenary Heights.

**Plants in:** - From 4.30 to 6.00pm

**Judging:** - 7.30pm – Stewards and runners needed please. Be there by 7.00pm.

**Volunteers:** - Needed to man show – Plenty for plant sales but light on for kitchen, front desk and craft areas.

**Floral Art:** - A non competitive section for floral art this year. Something extra for the public to admire. So please if you have any artistic flair, put together a posy or centrepiece. Just have an orchid or two in there somewhere.

**Baking for Kitchen:** - As mentioned last Tanbark, anyone able to make a cake, slice or batch of biscuits etc...Please do so and bring along to the kitchen during the show.

**Craft Stall:** - Could members please bring in some craft for sale on the craft stall.

**Photographic Competition:** - Two classes this year. Single flower or spray or spike of flowers. No limit to size or set out.

**Plant Sales:** - Plant quality on the sales table was disappointing last year. This will be policed this year and plants not deemed to be up to scratch will be removed from the sales table. Remember if you wouldn't buy it yourself, don't expect inexperienced growers to buy it.

**Trophies:** - Anyone with trophies please contact Elmo to organise their return by the 13<sup>th</sup> of this month.

**Parking:** - Please don't park in front of office/hall either Thursday or Friday at school start and finish times.

**Sewing bee:** - A "table cloth" working bee is needed. If you can help with hemming etc. contact Carolyn or Elmo.

**New Card System:** - As you would be aware, a new card system of identifying plants at shows is being finetuned with an eye to our conference. If you have email you would have received a template to enter plant names into, and then forward to Secretary Val. From there they can be printed on cards and the names of plants entered into the database. This has proved an enormous benefit when typing place cards at the shows. If you don't have email then phone Val and let her know what plants you intend exhibiting. If you're unsure if a flower will be out in time please submit the name anyway as no harm done if it doesn't make it to the show. Don't leave it 'til the last minute though as there's lots to do in the week leading up to the show.

**We have club Shirts and Polo Shirts for purchase if you need one, see Colleen. \$28.00 each**

## Upcoming Show Dates

**TOS Show Dates for 2014** Spring Show 19<sup>th</sup> – 23<sup>rd</sup> September, Summer Show – 18<sup>th</sup> October.

Once again this will be a **Purple Shirt** day to promote our club & Conference 2015. **We are still down on numbers so please join in and make a success of the day.**

## Helping To Get The Word Out!!

**Bunnings:** - September 6<sup>th</sup> sees TOS staging a display at Bunnings which will enable us not only to get the message of orchid growing out to the general public but also to sell conference raffle tickets. The display will be setup by 10.00am and dismantled at 2.00pm. If you can help with plants or manning please come along.

**EKKA:** - Orchid Societies from South East Queensland united in a combined display of orchids at the RNA show recently, it was a great success in putting orchid growing before the public. Murray Ferguson and John Terry travelled to Redlands on five occasions to help in getting this off the ground. Thanks to Murray Ferguson, David Woolf, Alwine Miller, Max Bishop and John Terry who kindly loaned their plants for the display.

**Buy, Swap or Sell**

**Remember** –If you have plants spare and would like to sell them, you can bring them along to meetings and sell them. No commission is charged

**Anti-slavery Day SAT 18 October 2014**

Steve and Sonia Pope will be jumping out of a perfectly good plane from 14,000 feet to raise vital funds for the life-changing work of Destiny Rescue, a non-profit organization rescuing children from human trafficking and sexual exploitation. They are asking you to dig deep and donate to this life changing cause. Help us save a child’s life, some as young as 5 years old. The more money raised the more children saved.

## Date Claimers & Information for Members

### Spring Show

Well done everyone! What a great success our spring show was and full credit goes to you, the members. We had almost twice as many plants this year (461) as compared to last year. In fact this is the nicest show we've had in that hall in over five years. I could say here that the weather was obviously kind in the lead up to the show but if the members hadn't grown the plants (and grown them well), it wouldn't matter what the weather had done. I haven't seen a financial breakdown yet but I'm sure that will be good news as well although bus numbers were way down this year – something for the incoming show committee to ponder. While on the subject of show committee, congratulations to Murray and his happy group for the well organised and executed event.

I have to say at this point also that the sewing bee to produce the tablecloths was very worthwhile and the new table coverings and setup accentuated the wonderful blooms. As usual there are so many people that I should be naming and thanking but if I do that I run the risk of omitting someone and perhaps offending them by doing so. The card system worked well, looked good but I'm sure there are still areas for fine tuning. The ladies in the kitchen kept us and the general public well fed; thanks to the members who baked goodies for sale; Len and his team on plant sales cleaned up again and the smiles at the front desk was a wonderful greeting. Shouldn't forget Kev and his potting demonstrations. One day he started the 10am potting demo and was still on his feet potting the same poor orchids at 2pm. A big day and thanks Kev. In fact to all concerned another sincere thankyou from me and don't forget that we've got another show before we have another meeting so keep 'em growing. Thanks. *John*

**Winners of the Raffle at the Spring Show** were; - Bunnings Voucher – K Mungall, Stanthorpe. Group of Orchids – Liz Chappell, Southbrook. Cymbidium – J Torrissi – Stanthorpe. Congratulations to the winners and thanks for your support.

**New Card System:** - As you would be aware, a new card system of identifying plants at shows is being finetuned with an eye to our conference. If you have email you would have received a template to enter plant names into, and then forward to Secretary Val. From there they can be printed on cards and the names of plants entered into the database. This has proved an enormous benefit when typing place cards at the shows.

If you don't have email then phone Val and let her know what plants you intend exhibiting. If you're unsure if a flower will be out in time please submit the name anyway as no harm done if it doesn't make it to the show. Don't leave it 'til the last minute though as there's lots to do in the week leading up to the show.

**Conference** - Could members save me centre cylinders from Baking paper, Alfoil or Cling wrap please, as I want to turn them into serviette holders for the conference dinner. Thanks, Colleen

**Conference Raffle tickets** – We are relying on members to take and sell these tickets **ASAP**. The proceeds of these raffles are ear marked for prize money, so please do your little bit to help....everyone can sell a few raffle tickets!!!! We only have until November 28<sup>th</sup> Christmas Party to sell them, so please take at least one book and help your club stage a spectacular conference.

**We have club Shirts and Polo Shirts for purchase if you need one, see Colleen. \$28.00 each**

**TOS Show Dates for 2014 Summer Show – 18<sup>th</sup> October**. That's right folks – we've got another show before we have a meeting. Setup will be from 3.00pm on Friday the 17<sup>th</sup> of October with plants accepted from 4.00 to 6.00pm that afternoon with judging starting at 7.30pm. Runners and stewards will be needed on the night and helpers required to assist with setup. Please forward your plant list to Val as soon as you can as no lists will be accepted after 4.00pm on 15<sup>th</sup> of October. **Remember if you can't access a schedule** (which is available on the

web site) **don't worry about which class your orchids will occupy.** Send in a list and bring as many plants as you have along and we'll stun the public once more.

**Christmas Party** The Christmas party will be held as part of the last meeting of the year which is 28<sup>th</sup> November. Cost will be \$25 for another lovely meal. So please let Carolyn or Val know by next meeting so we can confirm numbers.

**New Members** On behalf of management committee and members, I would like to welcome the following members who have joined the club; Sandra Littleton, Rex Phillips, Elizabeth Messervy, Brian and Stephanie Piers, Heather Beresford, Evan Williams, Therese Lord, Honor Stevens, Lena Lo and Barry Jackson. Welcome all and we look forward to meeting you personally.

### **Happy Diners**

Date	Venue	Time
6 <sup>th</sup> November	Gowrie Road Hotel , 208 Bridge St, Newtown	11.30am
4 <sup>th</sup> December	Drayton Tavern , 48 Brisbane St, Drayton	11.30am

**Brom Group** BROM GROWERS get together on Sunday 16<sup>th</sup> November at Mick & Judy Buziko's place Wellcamp/ Westbrook Road and Hursley Road. Start time 2.00pm, bring a plate of afternoon tea, a mug and a chair as well. Tea / coffee etc supplied. This garden has previously been in the ABC Open Gardens. Mick and Judy are specially opening up their garden for us. There is a section devoted to Bromeliads. There will be an opportunity to purchase plants. Enquiries to Robert on 0412263332

**New Growers Group (NGG)** The next New Growers Group meeting will be held at the summer show at 2.00pm.

The tour around the spring show was so well received by both members and the public that David will do it again at the Summer Show next week. New members, novice and not so novice won't want to miss this one. Also for the new members who've just joined us and novice growers, there will be a NGG at the home of David and Carolyn at 607 Greenwattle St at 2.00pm on Sunday 26<sup>th</sup> of October.

### **Helping To Get The Word Out!!**

**Bunnings:** - Our next display at Bunnings will be on the 1<sup>st</sup> of November. This will enable us not only to get the message of orchid growing out to the general public but also to **sell conference raffle tickets.** The display will be setup by 10.00am and dismantled at 2.00pm. If you can help with plants or manning please come along.....Thanks go to Sonia Pope, Murray Ferguson and John Terry for setting up and manning the display at Bunning last Saturday 4<sup>th</sup> Oct, it would be good if other members took a turn.

**Potting Working Bee** A potting workshop is tentatively planned for the 23<sup>rd</sup> of November at David and Carolyn's. The club has several hundred Cattleyas which are in real need of some TLC. So come along and pot up a few and take them home to be nurtured. We're also planning a sausage sizzle for lunch so help out, join in the fun and enjoy the day. More information as it comes to hand.

**Election of the new show committee** will occur at the next meeting so if you feel you can contribute please lodge your nomination with Secretary Val prior to the meeting. This is a very important function of the club and important to have a few different members each year to bring new ideas to the forum. Step up and do your bit for your club.

### **Tan Bark Editor required next year**

I do not intend nominating for the position of Editor at the next AGM. I feel that after four years my enthusiasm has waned somewhat and it's time for someone else to take over. So if you'd like to contribute to the club by taking on the newsletter please do so. *John*

## Buy, Swap or Sell

## Recent Bus Trip (27<sup>th</sup> Sept)

The recent bus trip was a most enjoyable day out for all participants. The show at EDOS was top class and they looked after us with morning tea as well. Then off to Frizzo's at Glasshouse and a wonderful browse around all their different and exciting plants. Back in the bus and off to the combined show at Glasshouse. There were lots of participating clubs with lovely displays and in those displays were some really quality orchids. The venue was wonderful and lunch on the balcony overlooking the lagoon was memorable. Unfortunately the outing wasn't well patronised and the club may not stage a similar adventure in that format.

28<sup>th</sup> November 2014

## Christmas Party

The Christmas party will be held as part of the next meeting which is 28<sup>th</sup> November. Cost will be \$25 for another lovely meal. Come along and join in the festivities. I hear there may be another plant auction. So please let Carolyn or Val know by next meeting so we can confirm numbers.

Don't forget to bring a Christmas table centre piece. Bring plants if you like but there won't be any judging tonight.

### **TOOWOOMBA ORCHID SOCIETY Inc. General Meeting Minutes, 24<sup>th</sup> October 2014, at St Paul's Church Hall, Phillip St, Toowoomba.**

The meeting was declared open at 7-25pm by President John Terry who thanked all for coming.

A problem with the hall booking saw the meeting held in less than ideal conditions in a back room – however it was cosy.

General housekeeping including Toilet location and Evacuation procedures was mentioned.

**Apologies.** As per the attendance book plus; - K Eslick, B & A Breuel, M Martin, and S & B Piers.

**Judges for Tonight:** Warren Williams, Russell Anderson & Elmo Koelmeyer.

**Visitors:** Laurie Green and Neil Crees

**New Members:** The president told the meeting of the successful recruiting drive over the past two shows which has resulted in 15 new members joining our Society. New members present tonight were; Jan and Evan Williams, Rhonda and Rudy Barnett, Elizabeth Messervy, Cecelia and Lee Willington, Peter Kajewski, Meagen Turner, Alf and Marissa Maskill. The meeting warmly welcomed these new members.

**Sick List:** Alwine Miller is in St Andrews. The meeting wishes her a swift recovery.

**Guest Speaker:** Graham Little will give us the lowdown on growing *Sarcochilus*.

**Minutes:** The minutes of the August 2014 meeting, as printed in September Tan Bark, are true and correct. Moved by M Ferguson and seconded by C Harriman. Carried.

**Correspondence;** Secretary Val provided the meeting with copies of all correspondence both inwards and out and asked that the correspondence be accepted. Seconded by I Anderson. Carried.

### **Treasurer's Report.**

Treasurer Sonia Pope presented the financial report showing a credit balance in the working account of \$10,454.25 and many accounts for payment. S Pope moved that the financial report be accepted and accounts be passed for payment. Seconded by A Richards - Carried.

### **General Business.**

1. Big thanks to all members who assisted in the staging of yet another very successful Summer Show. The show saw yet again a great display of well grown, spectacular plants.
2. On the subject of shows; the president thanked Murray and his retiring show committee for all their efforts over the last 12 months in staging four successful shows and called for nominations for the new show committee. The following were nominated and accepted the position: K Baker, M Ferguson, C Woolf, C Harriman, E Koelmeyer, T Deans and V Jellyman. The meeting thanked them for their participation yet again.
3. President John told the meeting that he has spoken to many members at the last two shows and is looking for a better way to communicate the workings of the club to general members. After some welcome discussion it was decided to have copies of the management committee minutes available for members to take away and read each general meeting.
4. Secretary Val told the meeting that the Toowoomba Regional Council has been approached and has provided \$2000 to assist TOS with the staging of the Conference next year. We wish to sincerely thank TRC.
5. The subject of where to hold the 2015 spring show was also discussed at length and a show of hands indicated that members would prefer to hold it at St. Paul's hall (20 votes to 6).
6. The club has been successful in the ballot to hold a sausage sizzle at Bunnings next year on 22<sup>nd</sup> March 2015. Make a note of that as we'll need plenty of volunteers.
7. Robert and Sue Janetzki have progressed to Open Class and Charlie and Erika Dedekind have graduated to Master Grower's status. Certificates to be presented at the Christmas party. Congratulations.
8. Conference raffle tickets and monies to be returned to Sonia Pope by 25<sup>th</sup> November please. This is vitally important as these raffles will be drawn at the Christmas party on the 28<sup>th</sup> Nov.
9. The club is also booked for a display and raffle selling at Bunnings on 1<sup>st</sup> November. Helpers with plants welcome. 10am to 2.00pm.
10. The president reminded members of the annual Christmas party to be held on 28<sup>th</sup> November. Cost is \$25 per person and he urged members to pay their money or at least enter their names on the list to assist with catering. Money to Sonia and names to Val or Carolyn please.
11. The Toowoomba and District Bromeliad Group has been formed and TOS has been approached to provide funding to the tune of \$5000 to assist in their start-up. Moved Robert Janetzki, seconded Brian Williams that TOS provide \$5000 to the new Brom club. After much debate the motion went before the members for a vote and was defeated by a significant margin (22 votes to 6). David Woolf then moved that TOS provide \$1000 to the above club. This was seconded by John Woolf. A vote was taken and the motion was successful. Again by a very healthy margin. Carried.

The president then introduced Graham Little as our guest speaker who spoke on the culture of Sarcocylus. Graham gave a wonderful presentation on how he grows Sarcs and no one can deny his success having taken out Champion Sarcocylus and Reserve Champion at our summer show and two of his plants have been awarded HCC's just last week. A most amusing and informative talk. Thanks very much Graham.

**Plant Auction:** Plants have been donated by Fraser Coast Dendrobiums and were auctioned by Bruce Vayro in the absence of our resident auctioneer Paul. Members had an enjoyable time, purchased some very nice plants and again raided over \$100 for the conference.

**Raffle results:** Fruit Tray – Neil Crees, Plants – C & M Bracken and E Koelmeyer. Lucky exhibitors – J Terry & M Ferguson. M de Nooyer spoke on the Lions Christmas lights and Carolyn will book a night for club participation. More information to follow.

The president reminded members that conference coordinators meet 25<sup>th</sup> October at 2pm, new Growers on 26<sup>th</sup> at 2.00pm and management committee on 27<sup>th</sup> at 7.00pm.

New Growers group to be held at David and Carolyn's on Sunday 26<sup>th</sup> October at 2.00pm All welcome.

He then thanked all members for coming and closed the meeting at 9.35pm.

## Date Claimers & Information for Members

### Summer Show

Well done again everyone! A great display and greatly enjoyed by the public.

Thanks. *John*

**Conference** - Could members save me centre cylinders from Baking paper, Alfoil or Cling wrap please, as I want to turn them into serviette holders for the conference dinner. Thanks, Colleen

**Conference Raffle tickets** – We are relying on members to take and sell these tickets **ASAP**. The proceeds of these raffles are ear marked for prize money, so please do your little bit to help....everyone can sell a few raffle tickets!!!! We only have until November 28<sup>th</sup> Christmas Party to sell them, so please take at least one book and help your club stage a spectacular conference. **Conference raffle tickets and money to be returned to Sonia Pope by the 25<sup>th</sup> of November.**

<b>We have club Shirts and Polo Shirts for purchase if you need one, see Colleen. \$28.00 each</b>
--

**New Members** On behalf of management committee and members, I would like to welcome the following members who have joined the club; Welcome all and we look forward to meeting you personally.

### Happy Diners

Date	Venue	Time
4 <sup>th</sup> December	Drayton Tavern , 48 Brisbane St, Drayton	11.30am

### New Growers Group (NGG)

The NGG at the home of David and Carolyn at 607 Greenwattle St at 2.00pm on Sunday 26<sup>th</sup> of October was as usual a very worthwhile afternoon. Fourteen members enjoyed learning and discussing some basics of culture with David. It was also great to have a look through David's growing area to see how he does it.

Thanks David and Carolyn.

**Bunnings Display:** - Our display at Bunnings on the 1<sup>st</sup> of November was extremely disappointing. The only member to be on duty for the whole four hours was Sonia Pope. Thanks sincerely Sonia and wouldn't it be great if more of our members could help out and not leave the jobs to the same few.

### Potting Working Bee

A potting workshop is planned for the 23<sup>rd</sup> of November at David and Carolyn's – 607 Greenwattle St. The club has several hundred Cattleyas which are in real need of some TLC. So come along and pot up a few and take them home to be nurtured. We're also planning a sausage sizzle for lunch so help out, join in the fun and enjoy the day. The day will kick off at 11.00am so bring along a hat and some enthusiasm. Let a committee member know if you plan to attend (so we have enough sausages). **All welcome**

**New Raffle** It's proposed that a new raffle commence as soon as possible consisting of a wheelbarrow full of gardening equipment. If you have new, useful gardening or orchid related good you could donate see a committee member ASAP. Thanks.

### Buy, Swap or Sell

**Remember** –If you have plants spare and would like to sell them, you can bring them along to meetings and sell them. No commission is charged

Pots and accessories are available from Elmo and Judy. 9 Donaghy Crt. Highfields. Phone 46155148.

### Tan Bark Editor required next year

I do not intend nominating for the position of Editor at the next AGM. I feel that after four years my enthusiasm has waned somewhat and it's time for someone else to take over. So if you'd like to contribute to the club by taking on the newsletter please do so. *John*
