

Jospeh Wu Orchids Price List

No.8, Ln. 260, Sec. 3, Yanping Rd., Dounan Township, Yunlin County 630, Taiwan (R.O.C.)

Phone: +886 966721158 **Email:** joseph.orchids.msa.hinet.net **Facebook:** [Joseph Wu Orchids](#)

Before you ordering form us, please understand:

About Ordering form us:

★ **We reserve the right to change the price**

Because the orchids are continuing growing, before we send you your invoice, **we reserve the right to change the price.** if we think the original price is not reasonable anymore. Therefore, please contact us to double check the availability and price before you make an order.

★ We only can offer the plants (without flower) for the per-order. If you order a flowering plant on our facebook fan page, we cannot guarantee the flower will still there when you receive it.

How to Pay:

★ Payment can be done by **PayPal or bank transfer.**

About the mailing and shipping:

★ If you are not living in Taiwan, we can mail the plants to you by **EMS (International Express Mail Service)**. The shipping fee can be estimate after we know how many orchids you want to order. The shipping fee and document (for export orchids) fee will be borne by the consumers.

★ Besides receive the plants by International mailing, we may also can bring the plants to the your country. We can bring the plants to **USA, Europe, Japan, Thailand, and Singapore** when we participating local orchid exhibition. You can come to the show to collect your plants. If we have extra time , we may also can mail the plants to you by domestic mail. The shipping fee can be estimate after we know how many orchid you want to order. The shipping fee and document fee will be borne by the consumers.

★ Some countries need import permit to import orchids, if you have this problem please ask us directly.

About Our Price list:

★ **Click the link in the “flower picture (or parents pictures) “ column, you will see the picture of the flowers in Facebook.** If you don't have Facebook account you may fail to see the pictures. In that case, you can contact us directly to ask for the pictures. We can send the pictures to you by email.

★ In the “Mark” column, you can identify this breed is made by tissue culture and will be **as same as the pictures (stem prop)**, or it come form seed and **has possibility will be different (hybrid prop and sibling) with picture.**

★ For the **stem prop, the picture is showing the exactly flower** of that plants. For the **hybrid prop and sibling prop**, the pictures is showing the **flowers of parents plants** and also the flowers which coming form the same seeds.
